

CAMIC, ISB Global Services, AFIMAC Global and ASAP Secured Service Offering

Yes, I Would Like to Attend

Date: Wednesday, May 8, 2019 | **Time:** 1:00pm - 2:00pm EST | **Cost:** FREE

Webinar Outline

ISB Global Services along with our sister companies AFIMAC Global and ASAP Secured are happy to advise that our service agreement with CAMIC has been renewed for a further term. This webinar is intended to provide all CAMIC members an overview of the benefits, services and significant savings contained in the agreement.

- ISB is North America's information sourcing leader serving the Canadian insurance industry and the pre-employment background screening market in Canada and the United States
- AFIMAC Global is a leader in the investigative industry, with resources located in all major centres across Canada
- We provide social media/online investigations, surveillance, witness statements as well as investigative research services
- ASAP Secured is a leading provider of security services that include guarding, event and loss prevention services and fire scene security with national coverage

Topics Discussed

- CAMIC Agreement Highlights
- Overview of ISB, ASAP & AFIMAC Services

Webinar Speakers

Maeve Davis
VP Client Services, ISB Global Services

An outstanding leader with a deep wealth of insurance and risk management knowledge, Maeve brings 25 years of experience as a senior executive in the Canadian insurance industry. In her current role at ISB, she is responsible for driving growth while assisting customers across the continent meet the critical need for better efficiencies, cost-savings and accuracy in the processing of claims. Maeve is a Canadian accredited insurance broker, a designated Canadian risk manager, and a fellow of the Insurance Institute of Canada.

Jim Rovers
SVP Operations, AFIMAC Global

Mr. Rovers has been actively involved in the fields of security, investigations and labour dispute for nearly two decades. With a background in manufacturing engineering, he has assisted many Fortune 500 companies in the development of contingency plans regarding security, transportation and temporary staffing. He has worked extensively throughout Canada and the United States on investigation of theft and narcotic issues in the workplace.

Chris McClelland
North American Security Specialist, ASAP Secured

A great career track record in sales and service has prepared Christopher for his role as ASAP Customer Relationship Manager. Prior to joining ASAP Chris held a similar role with ISB Global Services, working closely with many of North America's leading corporations as a single-source provider of documents and information. Christopher holds a BA in English and History from Lakehead University.

Space is Limited.
