- Cost Effective Investigation

## CLIENT TESTIMONIAL

“This technology enabled my team to force-multiply their efforts and focus on the important components of the investigation. We would have never been able to identify linkages at the same speed and proficiency. The report was very comprehensive, easy to analyze and court admissible – all vital components that helped bring this case to a successful closure.”

*Special Investigations Unit Team Leader, Global Insurance Company  
(30 million customers)*

## THESE PRODUCTS ARE NOW AVAILABLE ON THE ISB ORDER CENTRE

### FOOTPRINT

Product 32

#### Enhanced Social Media Footprint

ISB's Footprint provides you with a full written report, in less than 48 hours, containing a subject's complete Social Media profile including posts, pictures, and videos. Use keywords to narrow your search further to uncover potential court-ready evidence and reduce your claims exposure while catching fraud.

**\$82**

### SNAPSHOT

Product 32.1

#### Social Media Footprint and a 1-Hour Cyber Investigation

The Snapshot provides a Social Media footprint, and a 1-hour open source manual search by an experienced Social Media Investigator focused on uncovering evidence.

**\$155**

### SNAPSHOT PLUS

Product 32.2

#### Social Media Footprint and a 4-Hour Cyber Investigation

The Snapshot Plus provides not only a footprint but also 4 additional hours of open source investigations by an experienced Social Media Investigator. This product delivers both current and historical searches on a variety of platforms to help determine the legitimacy of a claim.

**\$370**

### CUSTOM SEARCH

Product 32.3

#### Customized Social Media Investigations

The custom search provides a fully customized investigative approach covering multiple platforms and persons of interest. Given the unique needs of this type of complex investigation, the cost of this product is based on an hourly rate.
