Webinar Outline

The Women's Trucking Federation of Canada is excited to announce that a new value-added service is now available to all their corporate members. In partnership with ISB Global Services, WTFC corporate members will be able to order their driver qualification and requalification documents through the new portal at a discounted rate. This new arrangement will provide WTFC corporate members with an average discount of 15% with no additional costs, administrative or monthly service fees. If you would like to learn more about this exciting new partnership, please register for this free webinar.
