

# The Importance of Qualifying Drivers

[Yes, I Would Like to Attend](#)

**Date:** Wednesday, March 27, 2019 | **Time:** 1:00pm - 1:30pm EST | **Cost:** FREE

## Webinar Outline

As the driver shortage continues to impact transportation companies across Canada, it is now more important than ever to ensure that carriers are properly qualifying new drivers. This informative session will look at the impact of fraudulent documentation, some of the costs associated with improperly qualifying drivers and the potential impacts this could have on your operation.

## Topics Discussed

- Identifying the Risks
- Assessing the Risks
- Controlling the Risks
- Reviewing the Risks
- Bringing it all Together

## Webinar Speakers

### Charlie Charalambous

*Director of Client Services for ISB Global Services MEE Division*

Charlie is the Director of Client Services for the MEE Division at ISB Global Services and has over 10 years experience in risk management, training and working with fleets across Canada. Charlie currently sits on the Board of Directors with the Truck Training Schools Association of Ontario (TTSAO) as their Director of Communications and Public Relations and is the past Chair of the Toronto Chapter of the Fleet Safety Council (FSC). Charlie is also directly involved with annual conferences for both the TTSAO and the FSC.

Charlie is responsible for managing the MEE platform and fostering both new and existing client and partner relationships.

**Space is Limited.**
